Contacting You

As well as the website, the newsletter and

actually talking with a real person, email and texting do provide us with other ways of receiving reminders about church events. We wish to make sure that people are willing to be emailed or texted, however, and to that end would like you to indicate whether or not you would like this kind of communication continued, commenced, or indeed discontinued. In the next few days you will receive an email or text to which you can respond, and we would appreciate your doing that.

Church Lunches

The monthly lunches continue to be really appreciated. These will continue for the rest of the year on the first Sunday of the month. Three members of the Hospitality Group will be hosting each one, which will be indicated in the News Letter, and they would appreciate hearing from anyone who would like to do anything special (like making soup) for a particular day. They will also be asking individuals or families to take responsibility for the clean-up. We trust the church is happy to do this. We will try to go alphabetically, so relax if your name is Wood.

Elders

Following a period on leave from eldership last year, Andrew

Jaquery resigned earlier this year from membership of the elders to enable him to concentrate on the various other aspects of his full life. This notice is to officially inform the fellowship of this and to foreshadow probable moves later this year to add to the existing elders. There are also opportunities to serve on the various IMPACTS groups.
